

REASONS FOR CONFLICT

Someone didn't hear the whole story
(Incomplete communication)

Someone had the wrong information
(Inaccurate information)

People saw things differently, had different beliefs or values
(Differing viewpoints)

There wasn't enough of something to go around
(Limited resources)

Someone wasn't getting their needs met for safety, recognition,
control or fairness
(Unmet psychological needs)

Anything else?

from Conflict Resolution in the Middle School by William J. Kreidler
