

# Expand Your Reach Sponsorship Opportunities

## About Sponsorships & Events

HMI's workshops offer a unique opportunity for you to showcase your product, service, or organization among producers interested in developing their farms and ranches into profitable, sustainable enterprises. Our workshops are held throughout the U.S. Participants are open-minded and want to learn about new production methods, as well as how best to manage their businesses. They are actively seeking out new ideas, products, services, and solutions to support their efforts.
